

## Lucan Educate Together

### Newsletter

15th March 2021

Dear Parents/Guardians,

**Welcome to our latest newsletter!** We were really delighted to welcome back children from 3rd—6th class today, along with their teachers and SNA's. It was wonderful to see the children so eager to return and to see so many smiling faces coming in to the school. I am sure all of the parents are delighted to see the children returning to school too!

We will be focusing on settling the children in our senior classes back in to school this week. There will be no formal homework for any classes this week as we celebrate everyone being together again since December. We are sure this will be a welcome break from "home-schooling" for students and parents alike!

Unfortunately Mary has a foot injury and won't be back in the school this week. Mary is really looking forward to seeing all the children very soon and we wish her a speedy recovery.

A reminder that there will be **no school on Wednesday 17th March**, as it is **St. Patrick's Day**. There are loads of events taking place on St. Patrick's Festival TV which is available on [www.rte.ie](http://www.rte.ie) or on the Oireachtas Channel. We are also continuing to celebrate Seachtain na Gaeilge this week. We will be having a Lá Glas day tomorrow, Tuesday, to mark St. Patrick's Day and are encouraging children to wear green!

Thank you for your continued co-operation at drop-off and collection times. A gentle reminder to leave the area just outside the gates clear at collection time, for the parents of children in 1st and 2nd class.

Hope you have a good week!

Regards

Ian
