HELLO LOVELY PARENTS

One more month of term left before the holidays. Exciting times. We have lots of things happening with the Winter Cards, Winter Donation Drive and Winter Dress Up Day to please read below to catch up on all the developments.

We want to thank all the parents and children for your ongoing support to help make all of these initiatives a success.

WINTER DONATION DRIVE

Students Ruby Mae, Sam and Ruarc decorated the collection box which is now awaiting your kind donations

We are asking for donations to support homeless charity 'Respond Homeless Charity Hub' and the 'Direct Provision Centres' charity.

All donations must be new and not wrapped in gift paper.

Some ideas: Toys- football/ dolls/ cars/ sensory books; Teddies; Board games/ jigsaws; Colouring/ paint sets; Gift sets; Shower sets; Pyjamas; Grocery/Food vouchers (dropped off to the school office)

Where to bring it:

Two large boxes will be left outside the front of the school building to facilitate easy access for children / parents at drop off times, given the current restrictions. Children in 1 st – 6 th class will be able to access the boxes on their way to class.

WINTER DRESS UP DAY

All of the children are invited to dress up in festive gear for the last day of term. The last day of term is Wednesday 22nd December.

Fun jumpers, hats, t-shirts or pyjamas all welcome.

It will be a great way finish the school term and start the holidays!

WINTER CARDS

We hope all the children enjoyed creating their winter card designs and we should be taking delivery of the packets of cards very soon.

A big thank you to Claire Hayes for organising this for us. Also a huge thanks to Veronica and Barbara from the school office who are such an amazing support to the PTA and the school community helping us make these plans a reality.

DRIVING OUTSIDE SCHOOL

The PTA wanted to pass on our thanks to all those who are out on the side of the road each morning helping to make it safer for all of our children. This is purely voluntary and we appreciate your time and commitment to making the route into school safer for all.

Thanks also to all the parents for making a concerted effort to follow the simple rules that make everything safer and easier for all.

If anyone would like to help out, it would be most welcome. You can get in touch with us on PTA@letns.org or just introduce yourself to any of the volunteers in the morning.

There is a big effort being made to try to create habits that make it safer for all our children to get to and from school.
