HELLO LOVELY PARENTS

We had our PTA AGM this month and thank you to all who attended. It was great to see so many there.

Big welcome to Fiona (Senior Infants) from the teaching staff who will sit on the PTA committee alongside Sarah (3rd) for this school year.

Many topics were covered in the hour so have a look below for some updates.

HALLOWEEN DRESS UP DAY

Halloween Dress Up day is this **Friday, 22nd October**. We hope the children have lots of fun getting dressed up for school that day.

There will be a party fun bag for each child. This is a couple of treats for them to enjoy. We are asking the parents for a €2 contribution towards this, which will be requested via Way2Pay.

And of course we welcome photos so we can put together a special edition Halloween newsletter to show off the costumes. These photos can be sent to pta@letns.org.

WINTER CARDS

Everything is progressing nicely for the Winter Cards. The children will be doing their individual card designs in the classroom soon and then we expect to be able to have the cards for those parents who want them in November.

The packs of cards will be €8 for 10 cards.

A big thank you to Claire Hayes for organising this for us. These were a big hit last year.

DRIVING OUTSIDE SCHOOL

There was much discussion at the PTA AGM about driving outside the school. There is a big effort being made to ensure the safety of the children as they arrive and leave school.

Please follow the rules and play your part in keeping all the children (and parents) safe as they do drop-offs and pick-ups.

If you see unsafe driving please call it out, or report it. We must also respect the residents of the adjoining housing estate and make sure they can get in and out of their houses.

This is particularly important now we are heading into the darker time of year and more cars are being used.

EXEC AGM NOV 16TH @ 8PM

The Executive Committee provide a vital function to the successful running of our school. They are made up of parents and teachers and act as the patron for the school, ensuring the school ethos is lived as well as helping with projects to improve the school.

Two recent projects that have had a huge impact are the replacement of the school boiler and class radiators (a huge job) as well as the widening of paths inside the grounds and on the path outside. Amazing work that really has an impact.

They are holding their AGM on November 16th @ 8pm. All welcome. Come along and learn more about what the Exec does.
