FRIDAY 10TH JUNE

HELLO LOVELY PARENTS

We hope all the parents and children enjoyed the Easter break. Its the end of the first week back and the longer evenings are a welcome change.

The PTA met on 27th April and some small announcements to share below. We will keep doing video meetings to make it as easy for parents to join us and listen in or ask questions on any topics they want to raise.

EASTER RAFFLE WAS A HUGE SUCCESS!!!

Wow! The Easter Raffle was a huge success. A huge thank you to all the parents and children who donated eggs, chocolate, candles, wine and other wonderful fillers for the hampers and prizes.

There were 83 prizes!!!!

We raised €2,100. How fantastic.

The PTA wanted to thank all the volunteers who gave up their time to come in and put all the hampers together and also then help run the raffle itself on the day. The children were loving it.

A big thanks to Veronica and Barbara for their support also in helping collect the money for the raffle tickets.

Marta Isopo ran the event and we are so grateful to her and all the time, dedication and care that she put in.

Below is a collection of photos from the organising and also on the day.

VOLUNTEERS FOR SOME GARDENING

The school is getting some fresh top soil to lay out in the flower beds and looking for some help with this.

Please reach out on pta@letns.org.

Thank you again for your support.

FUN WELLIES FOR FLOWERS

We are asking anyone who would like to help decorate the school grounds with flowers in wellies (or other fun planters) to bring them in.

All you need to do is make a few holes in the bottom, then fill with some soil (you can get a small bag from Aldi for as little as €2). Then put in a flower or some seeds and off we go.

This will bring a bit of colour and vibrancy to the school. Its a fun creative project to enjoy at home too.

Just call into the school and find a nice spot for them.

OUTDOOR CLASSROOM

Plans are underway to build the outdoor classroom. As the location chosen is on grass, there is a need to bring in a contractor to prepare a concrete foundation for the classroom.

If any of the parent community are able to help with this, or recommend a builder who can, please let us know.

Please contact Clair on pta@letns.org

SCHOOL CLOSED – REMINDER

Just a gentle reminder that the school will
be closed on **Tuesday June 7th.**

Thanks
