Sherpa Kids puts children at the heart of everything they do!

All Sherpa Kids Programmes are meticulously planned by childcare activity experts to ensure there's a role for every child, regardless of their age or ability, to keep them entertained and moving all day! Their programmes therefore offer the perfect childcare solutions for busy families, inspiring children and nurturing their individuality in an enriching environment that's filled with the activities and experiences they love.

Their fun and enriching Before and After School Programmes run every day throughout the academic year. Created using a well-being philosophy, these programmes of activities are loved by children and trusted by parents, helping each child get the most out of every day and adding richness to their learning beyond the school curriculum. With opportunities to learn through play, meet new friends and have fun in a safe space, there's something for every child. Check out the adventure activities on offer below:
