NEXT PTA MEETING
WED 18TH SEPTEMBER @
8PM
IN PERSON

HELLO LOVELY PARENTS

Last week of the school year! Wow. What an incredible year of events, fun and fundraising. The PTA committee wanted to extend a huge thank you to all the parents, guardians, teachers and staff for thier support throughout the year. We look forward to doing more to try to enhance our childrens experience at school next year. We want to wish the 6th class students and families all the best in the future. Enjoy the summer!!!

A big thank you all the teachers for their support this year too. Especially Fiona and Emer who gave up their time to attend PTA meetings and liaise between the teaching staff and the parent community. Your can-do attitudes and proactive approach made a huge difference.

To Barbara and Liesel, you do so much behind the scenes to help every single thing we do. Thank you again for always being there and supporting all our efforts. Your hard work is so much appreciated.

To John who does so much every day for the school, over and above what is required. You make such a big difference to our school and we really appreciate it. Thank you.

BIG THANK YOU

A big thank you to all those who volunteered to help out and run the events this year. Your time, energy and enthusiasm makes these things happen and we really appreciate it. Special shout out to all the 'Lead Organisers' for all our events. You are amazing and you did an incredible job.

Walk in the Park – **Marta Isopo**

WALK IN THE PARK

Our annual fundraiser Walk in the Park took place on Friday June 14th.

We raised a whopping €2727.30 through this event. An incredible number.

Thank you to Marta Isopo, again, for making this event happen.

GOOD LUCK TO OUR 6TH CLASS'S

We wanted to wish all the 6th class students and families the very best of luck as they graduated this week and move onto secondary school.

Exciting times ahead and stay in touch!!!

FUNDRAISING RESULTS

We ran a number of fundraising events this year and so proud to be able to announce that throughout the year nearly **€12,000** was raised for the school. The main project was the sensory corridors and there is more than enough to cover this now. Amazing achievement.

Again thank you to the whole school community or your generosity and support to make this happen.
