## HELLO LOVELY PARENTS

How exciting to have spring upon us and the daffodils growing in parks and along the side of the roads. We are delighted to be running more events over the coming weeks and encourage everyone to get involved.

The next PTA meeting will be April 9th so please come along to hear about what is happening in the school, the events and important notices.

## **Easter Raffle - Thursday 10th April**

Our annual Easter Raffle will take place on Thursday 10th April. We'll need volunteers on Wed evening -April 9th- to make up hampers, and donations.

Donation boxes will be in classrooms in the next couple of weeks. This is to give a heads up, but all info will be sent out to parents in 2 or 3 weeks time.

Thanks you very much. You can get in touch with us about this event via the email [PTA@letns.org](mailto:PTA@letns.org).

We thank Marta for taking the lead on this event.

**SURVEY**

## **Family Feedback Survey**

Ultan emailed everyone with a forms link to complete our family feedback survey.

We encourage everyone to fill this out. Make your voice heard.

We will use this feedback to to make sure your PTA is doing the things you would value most in the school.

The survey is live, and will be open until April 14th, so go fill it out now.

## Pub Quiz Night - Friday 9th May

After the success of last years pub quiz (which was fantastic fun), the PTA will host this event again.

This will happen on Friday May 9th so please get the date into your diary.

We will follow up with more details about the night and look forward to a night of fun, music and trivia.

## Call out for new member for the Board of Management

We are appealing to the school community to see if there might be a person with an accountancy background, finance, budgetary or financial controlling who might have some time, interest and capacity to join our School's Board of Management as Treasurer. There is a three year term remaining and there are seven 2 hour meetings during the year.

This is a great opportunity to shape and steer our school in exciting times where we are going to see great changes in our school library, school building improvements and the introduction of new solar panels to help reduce energy costs as we do what we can to help our environment. Training and lots of support provided by the Board Team and through the Educate Together National organization. Help us keep LETNS a great school to be in!

To let us know of your interest in this volunteer role, please contact [executive@letns.org](mailto:executive@letns.org)

SUPPORT

## Our Executive need our support

Membership for the LETNS Association is now open and they need your support!

Being a member of the Association means that you support the school having its own independent patron. They had approximately 100 members sign up last year but they want to increase this with your help. The Executive Committee (a small subset of the members) oversee the running of the Association on your behalf.

What does the Executive Committee do? They promote and uphold the ethos. They act as caretakers for the building and infrastructure. You, as members, support them in doing that.

This is how you can show your support...Sign up for membership (€2 on way2pay). Other adult members of the household are encouraged to join too! Click on, or share, the link below:

Also, in May, they will host their AGM, why not come along and hear all about the great work they do for our school.
